

Best Publication Award

To promote collaboration within the µBone consortium, the Steering Committee announces the Best Collaborative Publication Award for PhD students and post-docs of the µBone consortium. Original articles published or accepted for publication in 2019 will be considered. The award in form of a 200 € gift certificate will be presented during the 2nd retreat.

Eligibility

- The applicant must be first- or second author
- PhD student or post-doctoral fellow
- The applicant must be a member of the µBone consortium
- The applicant should be aged under 40
- The original manuscript must contain authors from at least two different µBone sites
- The original manuscript must have been published or accepted for publication in 2019
- Only one manuscript may be submitted per applicant
- The manuscript must be related to the µBone projects

Judging Criteria

The Steering Committee will rate the following aspects

- Joint authorship across different sites
- Scientific novelty
- Methodological approach, innovation

Deadline

Please send your text/paper/publication until **January 27th** to Anja.Strehle@uniklinikum-dresden.de
